All female students regardless of age MUST purchase and wear a nude body stocking. These can be purchased from our online shop https://starbritestudios.multiclubs.com/underwear. This is because we have male chaperones in our changing area. This will also aid our senior performers who have quick changes outside of the changing environment.  2. Underwear  We would also ask that female underwear (pants and bras) are a nude or pale colour to prevent them from being seen through costumes.  Supportive bras are also required where appropriate, not only for comfort and to save embarrassment, but also to prevent any accidents or wardrobe malfunctions occurring.  Where leotards aren't being worn but a skirt or dress is required then please wear white knickers over the top of your tights as this will give the illusion of a leotard bottom.  3. Own bright clothing  Continued the please wear white knickers over the top of your tights as this will give the illusion of a leotard bottom.  For students who have clothing items listed as bright, these need to be extremely vibrant so that they are picked up under the stage lights.  Sequins and sparkle are always good!  4.
