

Medicine Administration Form

Starbrite Studios are willing to administer your child's medicines in the following circumstances, and will only do so providing this form is completed in its entirety.

- The medicine is prescribed by a doctor.
- The medicine has the child's name on it and has been prescribed within the last week, with the exception of an ongoing medical condition or where medicines need to be carried as a precautionary measure.
- The medicine is in date and has not been opened longer than the manufacturer's guidelines.
- Medicines must be signed in and out of Starbrite Studios by the adult responsible for the child. It is not Starbrite's responsibility to return the medication to the carer.
- It is at Starbrite's discretion to administer medication, and this will be assessed on an individual basis. If Starbrite deems the child unfit to attend, we reserve the right to refuse entry to classes.
- The child must have been on this medication for a full 24 hours before Starbrite will administer it, even if it is medication the child has been prescribed previously.

To be completed by the Parent/Carer.
