

## International Dance Day

Wednesday April 29th is International Dance Day. This day was created to celebrate all genres of dance and is a worldwide event. It is also significant as it is the anniversary of the birth of Jean-Georges Noverre (1727-1810), the creator of modern ballet.

It tries to encourage participation and education in dance by hosting events. This year Starbrite will be hosting its own event and this is how you can get involved.

Starbrite wanted a way in which we could also celebrate the amazing key workers that are keeping the country going during this time so Miss Emma has created a family friendly routine to 'We are Family' by the Military Wives Choir.

1. Download the rainbow thank you picture and get colouring.
2. Follow the dance tutorial [here](#).
3. Film your performances and upload your videos to [here](#).
4. Closing date for video entries is 23:00 on Monday April 27<sup>th</sup>.
5. Miss Emma will then edit all of your videos together and release our thank you video on Wednesday April 29<sup>th</sup>.

Thank You
